Single & Two-Tone Plating Options

Choose from Several Different Enamels and Plating Options

Once we receive your initial ideas, our SymbolArts Representative will contact you to discuss the best plating, color and badge options for your design to stand out.

Enamels, Layering & Center Seals

Cloisonné

Best quality, glass beads are heated at a high temperature to harden, then polished smooth & level. Very durable. Limited color options available.

Multi-Dimensional

The 3-dimensional relief and layered attachments of our badges gives them a sculptural quality from every angle.

Detailed Center Seals

Our center seals are soldered to the badge and created with great attention to quality and vibrancy to stand out!

Painted Badges

Paint your badge pink or purple for commemorative or awareness events within your department.

We Design the Artwork for FREE!

Our talented art department will create a custom design and with no hidden fees our artwork is free up to 3 revisions.
